A CARD.

The Manager of the University Lottery returns his sincere thanks for the very liberal patronage he has received in the Ninth Class, which was a duplicate of the 6th and 7th Classes of said Lottery. And having found them extremely popular with venders and adventurers, and suitable to the times, as well as pleasing to the public, he has thought proper to give one more Scheme—that of the Tenth Class—exactly similar thereto, before he proceeds to the drawing of the Splendid Scheme of the 8th Class, which was intended to have been drawn some months since; but on account of the peculiar and embarrassing state of the times, the sale of tickets was not at the time proposed for the drawing found sufficient to warrant it.

Holders of Tickets in the 8th Class not perfectly willing to hold on to the same until a short time after the 27th of October, at which time the 10th Class will be drawn, can, if they wish, exchange them for Tickets or Shares in the 10th Class, at either of the Manager's Offices, 142 Broadway, New York, 129 Chesnut street, Philadelphia; or at 130 Market street Baltimore.

The public as well as venders and adventurers generally, will please to take notice, that there is not any Lottery at present advertised to be drawn between the 20th and the 30th day of October—therefore, as the Manager of the University Lottery has fixed upon a day for the drawing of the 10th Class, considerably beyond or previous to the time of drawing of any other Lottery or Lotteries, by any Managers or Commissioners of such Lotteries, of any Contractors thereof, he respectfully requests of them all, and severally, not to interfere with his Tenth Class, by the drawing of any other Lottery, during the one week, at least, commencing on the 23d and ending on the 28th of October, which request, he hopes and trusts will be noticed, and treated with that respect and reciprocity which he has a right by rules of common courtesy, if by no other, to anticipate at their hands.

P. C. has the pleasure of presenting his friends and patrons with another Scheme—that of the Tenth Class, which will positively be drawn at the time mentioned.
